

DESIGN ENGINEER

Noratel is a global manufacturer of power magnetics. Our vision is to become the leading strategic partner of high-class solutions for electrical transformation worldwide by delivering outstanding quality, service, competitiveness, and innovation that will help our customers succeeding in their markets.

We are looking for an experienced **DESIGN ENGINEER** to join our diligent and ambitious Noratel International (Pvt) Ltd., team in our Sri Lanka office.

Key Responsibilities:

The selected candidate should be assigned with design and costing of transformers to customer requirements, preparation of manufacturing documentation, monitoring of manufacturing/ testing prototypes, handling of feedback from customers and from our production staff, special testing at demanding applications etc. A very important part of the work is the liaison with our customers and production staff. The work also includes participation in international sourcing of special components, and in marketing and sales activities. Support Electrical / Electronic R & D work.

Qualifications:

- B.Sc. Engineering degree Electrical / Electronics.
- Computer literacy and fluency in written and spoken English is very essential.
- Some working experience in a technical position is not a must but would be an added advantage.

Working at Noratel International (Pvt) Ltd:

Noratel International (Pvt) Ltd. is a company with 1000 employees located in Katunayake, Sri Lanka. Noratel International (Pvt) Ltd. is proud to design and manufacture the most comprehensive range of transformers, reactors and power supplies. We also serve group companies and customers in industries such as renewable energy, medical technology, industrial automation, motor drives, rail and eMobility. Noratel International (Pvt) Ltd. is dedicated to creating an inclusive working environment that encompasses diversity and equal opportunities. In addition to competitive terms, you will have the chance to develop your personal profile and career in an international environment. Our success will encompass the well-being of our existing and future employees and minimization of our carbon footprint.

About Noratel Group:

Noratel was established in 1925 and is servicing industry worldwide, evolving to meet the ever-changing demands of our customers. Today we are a leading global provider, proud to offer the most comprehensive range of transformers, reactors and power supplies. Besides a comprehensive standard range product portfolio, the majority of Noratel production is dedicated to custom design and manufacturing to meet the requirements of OEM customers. Noratel employs 2000+ people across 13 countries in Europe, Asia and North America. Corporate headquarters is based in Hokksund, Norway.
